SUBJECT: EAGLE RIVER EARTH STATION
Closure/No Further Action
SPILL #: 91-2-1-1-213-1; FILE #: L91.04

Dear Mr. Gamble :

The department has received and reviewed the New Horizons Underground Storage Tank (UST) report on the report on this site. Based on this document and the previous site report(s), no further action is requested by the department.

However, in the future, if contamination exceeding regulatory soil and groundwater cleanup standards is identified on the site, additional work may be necessary.

Please contact me if you have any questions at (907) 349-7755.

Sincerely,

Scott Bailey
