September 17, 2018

To Whom It May Concern:

This document provides, pursuant to the requirements of the United States Environmental Protection Agency, State of Alaska – Department of Environmental Conservation, State of California – Environmental Protection Agency or any other appropriate federal, state, or local regulatory agencies, environmental signatory authorization for designated management positions of the following facilities owned and/or operated by Silver Bay Seafood's, LLC.

Sitka, Alaska	Naknek, Alaska	Valdez, Alaska
Craig, Alaska	Metlakatla, Alaska	Kodiak, Alaska
False Pass, Alaska		
Ventura, California	Wilmington, California	Watsonville, California
Seattle, Washington		

Management positions that are responsible for the overall operations of the respective facilities or that of environmental compliance are hereby delegated as having signatory authority for environmental permit applications, registrations, certifications, compliance reports, and any other environmental documents that requires a signature or certification by a "responsible official" or a "duly authorized representative" as allowed by Federal, State, and/or local regulations.

These designated management positions, as applicable to the above regulations include the following:

- Chief Operating Officer
- Chief Manufacturing Officer
- General Manager
- Plant Manager
- Chief Engineer
- Director of Environmental Compliance
- Project Manager (During Site Construction)

This signatory authority is intended to apply to the fullest extent allowed by applicable law, regulation, and/or permit.

Sincerely,

SILVER BAY SEAFOODS, LLC

Troy Denkinger
President
