Attachments:	Results Spreadsheet.xlsx

All,
Drinking water results for PFCs are attached. I will save you the trouble of opening the attachment and tell you that they were all non-detect.

Merry Christmas!

Don,

Attached is a spreadsheet of the results we have received for PFAS in the drinking water. Please let me know if you have any questions or prefer a different format.

Lt Col Skinner

Lt Col Skinner,

Attached is the populated spreadsheet requested by Col Caravello that we use to report our results. If there is anything else that you need please don't hesitate to ask.

Respectfully,
