Federal Land Managers,

The Alaska Department of Environmental Conservation (Department) Division of Air Quality is submitting a draft of the preliminary PSD Construction Permit AQ0934CPT02 for Donlin Gold LLC's Donlin Gold Project, 30 days prior to public notice. Attached please find a draft of the preliminary construction permit, technical analysis report, and modeling report. Spreadsheets the Department used for calculating PTE and BACT cost effectiveness analyses, as well as the permit application and other supporting materials can be found on the Department's website for the Donlin Gold Project: <https://dec.alaska.gov/air/air-permit/donlin-mine-application>.

Barring any setbacks, the Department intends to public notice the preliminary permit on December 12, 2022, as December 10<sup>th</sup> falls on a Saturday.

If you have any questions as you are performing your review please do not hesitate to contact me.

Regards,

*Dave Jones*
