Password: _____

Instructions for Completing the Application

Operator Information:

- You must provide us with your email address if you are taking the proctored online certification exam at a testing center. We will inform you of testing information via email.
- A high school diploma or GED is the minimum educational requirement for Small Water Systems certification.
- The experience requirement for Small Untreated certification is **3 months** operating such a system. The experience requirement for Small Treated certification is **6 months** operating such a system. If you do not have sufficient experience as an operator you must complete a DEC approved training course. See: <https://dec.alaska.gov/water/operator-certification/small-water-system-certification> for more information about courses. Documentation of course completion must be attached to this registration form.

Water System Information:

- Please fill in your public water system identification (PWSID) number, if known, and the system name.
- Please give an accurate description of your system.

Exam:

- Select to take either the Small Untreated Water Systems or Small Treated Water Systems exam. Both exams consist of 50 multiple-choice questions.
- The two options for taking the exam are proctored online or paper and pencil.
 - The **proctored online exam** can only be taken at a DEC approved testing center. Currently, the approved testing centers are located in Anchorage, Dillingham, Fairbanks, Glennallen, Kenai, Ketchikan, Kodiak, and Palmer. You will be able to take the exam during a testing center's normal business hours.
 - The **paper and pencil exam** can be administered year-round in communities that do not have access to an online proctored testing center. After receiving your registration form, the Operator Certification Program will arrange a proctor within your community and contact you with details. However, if your community does have access to an online testing center, you may only take the paper and pencil version of the exam at two times during the year, in April and October. Please see: <https://dec.alaska.gov/water/operator-certification/exam-dates> to ensure you meet the deadlines for application submission.

Fees:

- The registration/application fee is \$150 and must be included with this registration form.
- The online testing centers charge their own proctoring fees that must be paid at the time you take the exam. Their fees are currently as follows:

Location	Testing Center Fee
Anchorage	\$43
Dillingham	\$30
Fairbanks	\$55
Glennallen	\$30
Kenai	\$53
Ketchikan	\$50
Kodiak	\$30
Palmer	\$43
