Environmental
Conservation

Question Card The Division of Air Quality is interested in questions you may have about our proposed regulations. Please submit question on this card and place it in the provided box. Our responses to all questions will be on-line at: <http://dec.alaska.gov/air/anpms/communities/fbks-pm2-5-questions-answers/>

Why is the EPA telling us how to live, So everybody
has to burn #1? This is BS. If #1 is higher in cost, every
thing goes up AKA Electricity. So everybody
pays more to live here. Either live here
and pay more or get the hell out
I burn #2 fuel oil and have for 25 years
now I am supposed to change?
You are putting a bigger burden on
Everybody

If you would like a written response to your question, please include your name and mailing address below.

The response to your question will also be posted on-line.

Please write legibly - Thank you!
