CLEAN AIR ACTIVITY EOOK

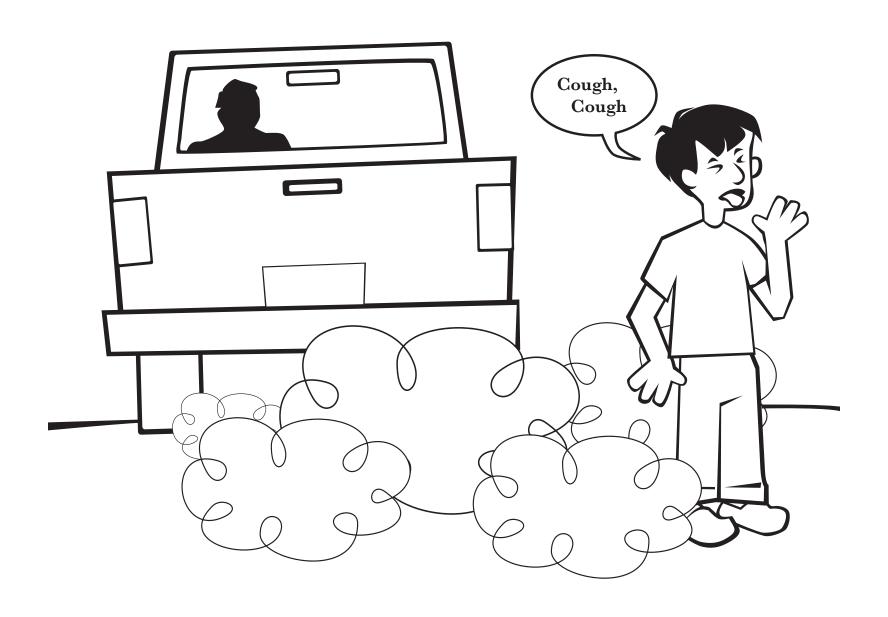

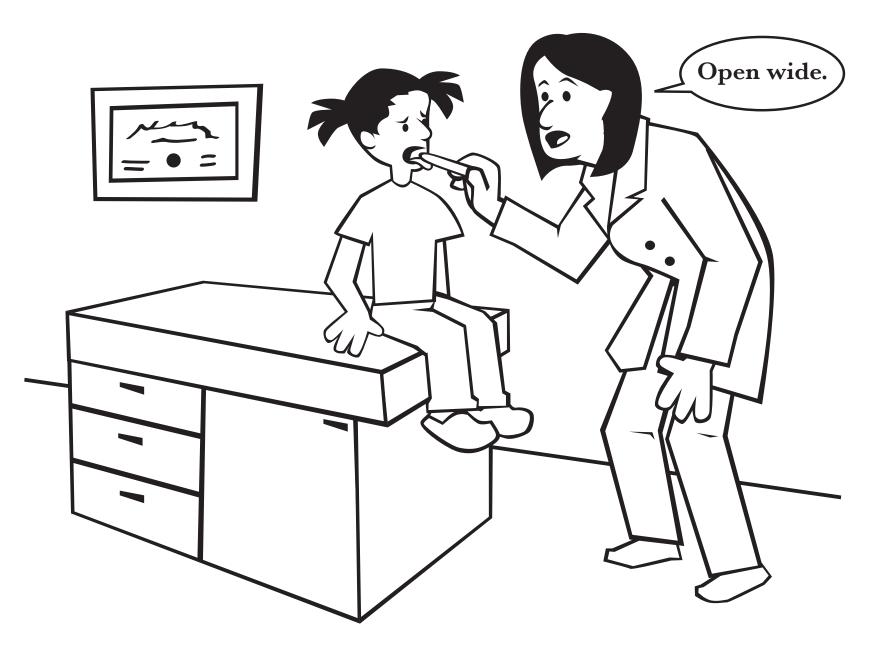

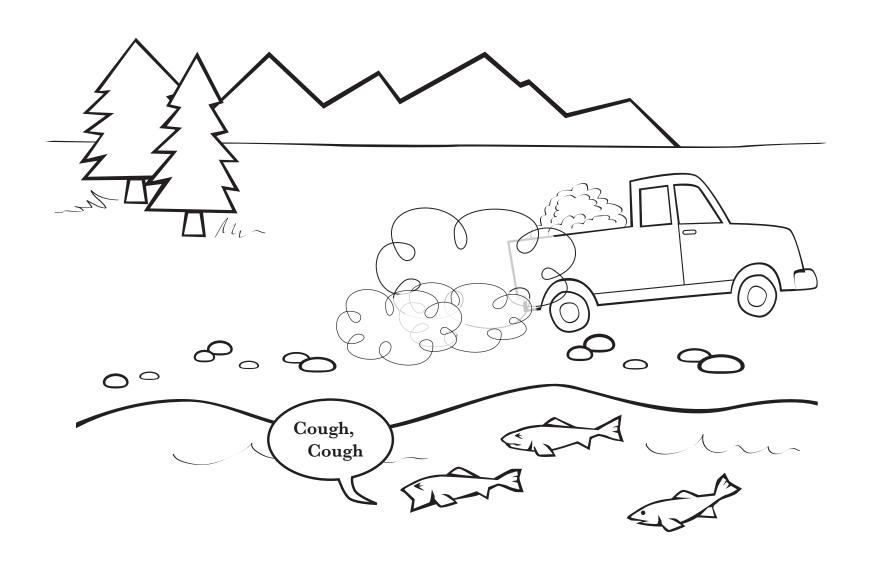

I don't want to breathe in dust.

I don't want to eat your dust!

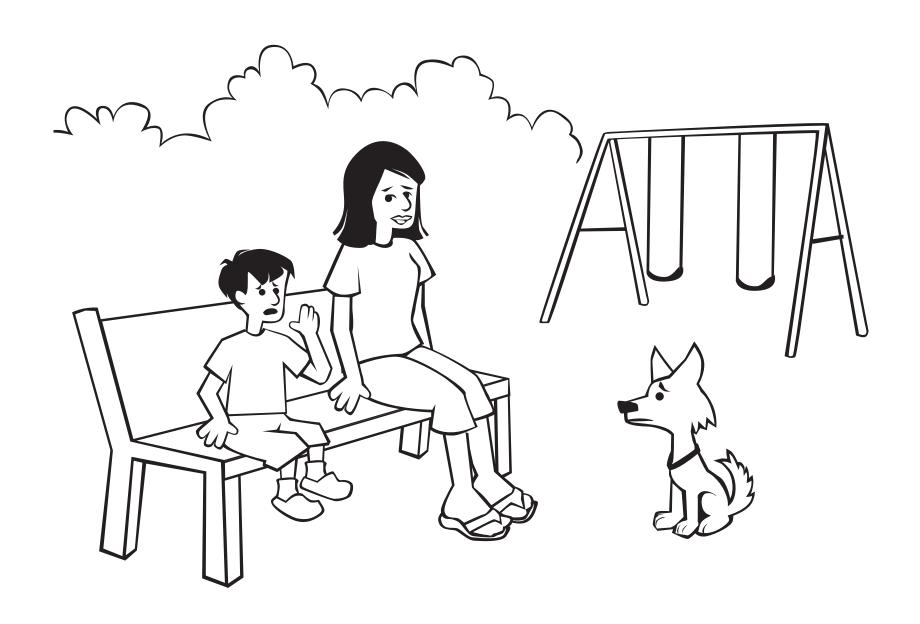

Too much dust can make me sick.

Too much dust can make the fish sick.

Please Brother, don't drive in the river. Cloudy water is hard for fish to breathe.

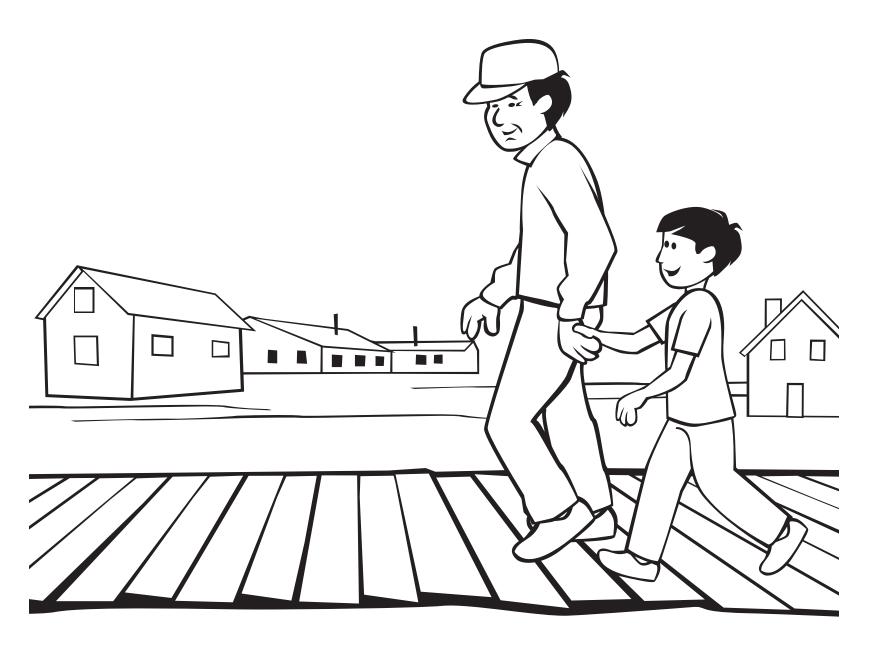

Dust makes it hard for me to breathe.

Please Mom, go slow so we don't make dust for other people. $_7$

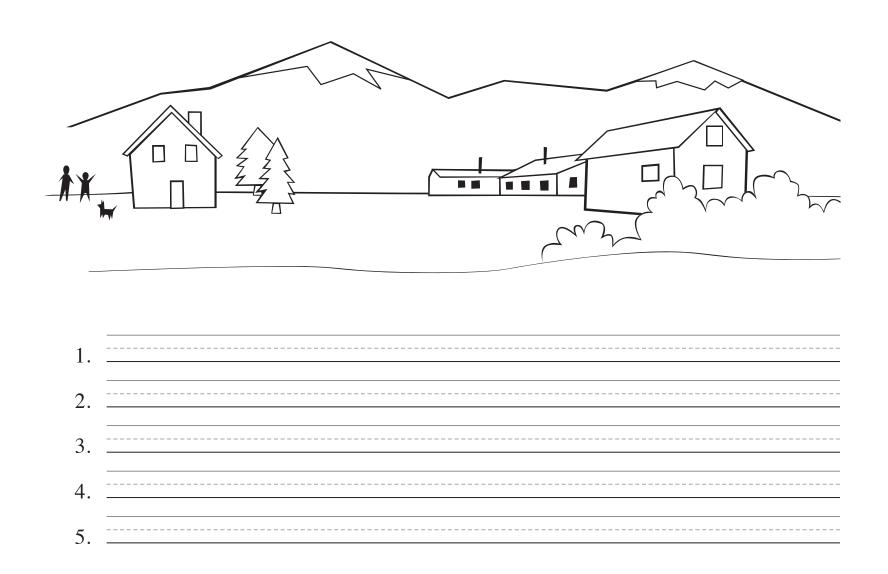

Please Dad, let's cover the load.

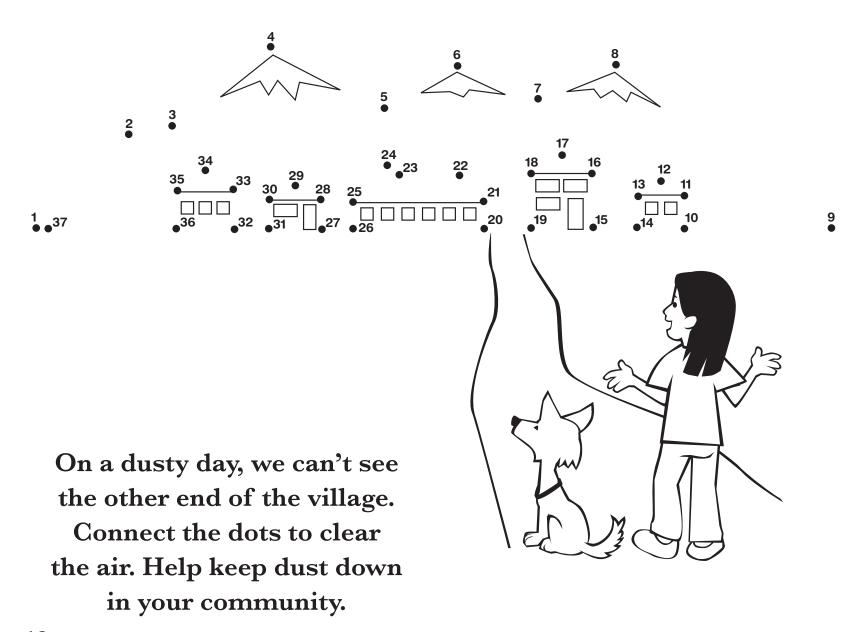

Do your part. Don't make dust and stay away from dusty areas. $_{9}$

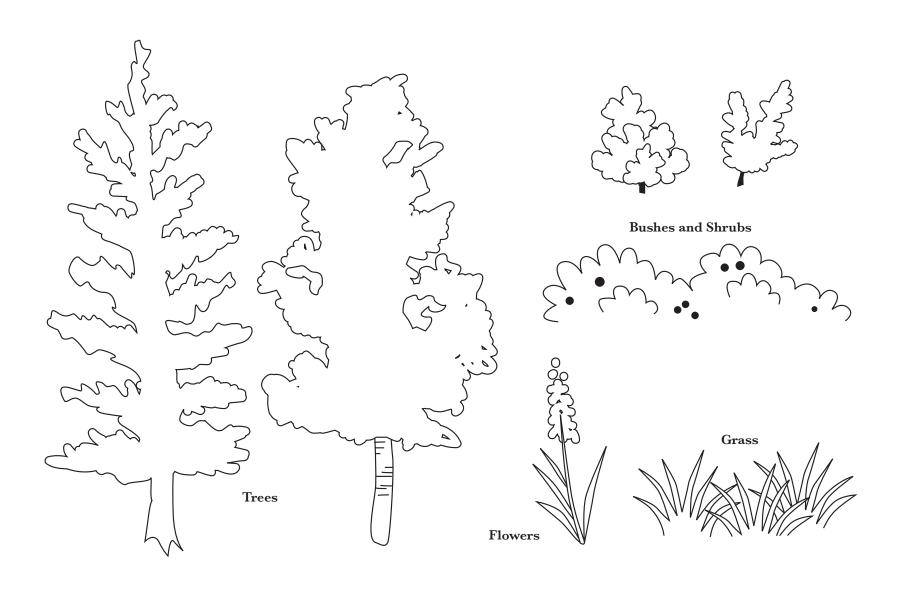

Who wants to eat dust? Nobody! Keep down the dust. We'll all breathe easier.

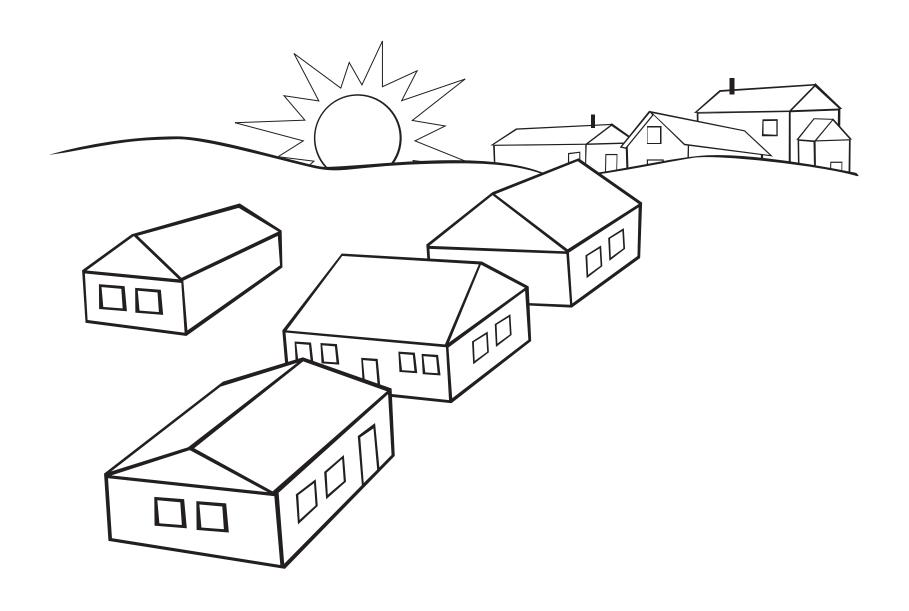

Where are the dusty places in your village? Make a list.

Ground covered with healthy plants makes less dust.

This landscape is missing plants! Help cover the ground with flowers, grass, bushes, shrubs and trees.

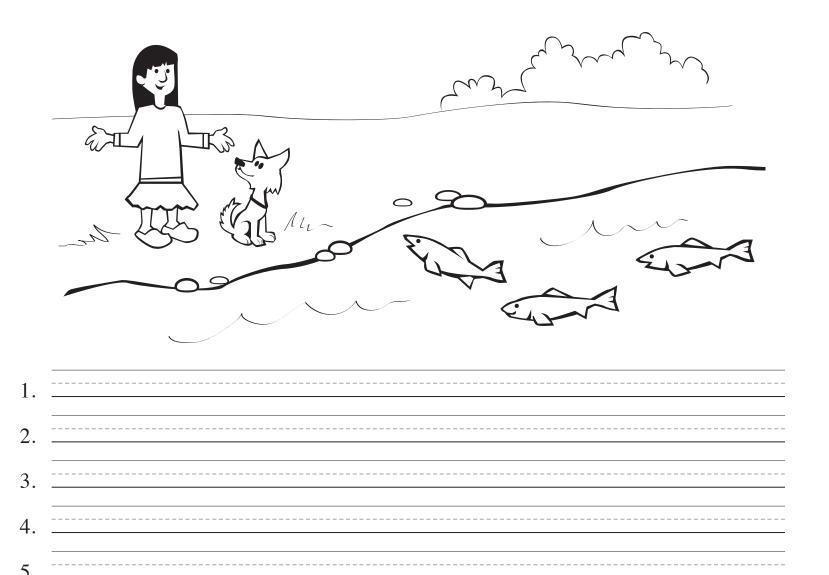

Is this a dusty community? Circle the ways dust is being created and then complete the word search.

Circle the ways you can help reduce dust in your community.

- 1. "DRIVE SLOW"
- 2. "COVER YOUR LOAD"
- 3. "CLEAR THE AIR"
- 4. "STAY HEALTHY"
- 5. "DRIVE ON ROADS"
- 6. "PLANT SHRUBS"

Ask your friends and family how they can reduce dust. Make a list.
