Dear Ms. Rodman:

This letter confirms U.S. EPA Region 10's formal approval of the Quality Management Plan (QMP) for the State of Alaska Department of Environmental Conservation (DEC) Division of Air Quality, Air Monitoring & Quality Assurance. Approval is valid for a period not to exceed five years from the date the QMP was approved by EPA. Please remember that organizational and/or mission changes may make it necessary to revise and resubmit the QMP before the five-year approval period expires.

EPA Region 10 looks forward to successful implementation of Alaska DEC's Division of Air Quality's QMP. If you have any further questions regarding this approval, please contact me at (206) 553-1893 or by e-mail at Fields.Cindy@epa.gov

Sincerely,

Cindy Fields, Regional Quality Assurance Manager
