Chignik Lake, AK 99548

This letter is to remind you that contamination in soil and/or groundwater remains at the site known as **Chignik Lake Tribal Council Old Tank Farm**, Hazard ID 3786, located off Third Street between Streets F and G. Records available to the Alaska Department of Environmental Conservation (ADEC) indicate that you are the responsible party for the above-mentioned property.

The attached Notice of Environmental Contamination was filed with the Alaska Department of Natural Resources Recorders Office in 2015 and it will remain on your property deed until it is demonstrated to ADEC that contaminant concentrations in soil and/or groundwater are below the approved ADEC cleanup levels found in Title 18 of the Alaska Administrative Code, Chapter 75 (18 AAC 75). In addition, you are required to notify the ADEC if there are any changes in land use or ownership.

Alaska Statutes Title 34 outlines your responsibilities with regard to property transfers, which may include environmental disclosures and penalties for non-performance.

This site information is a matter of public record and is available through ADEC's online database record at: <http://dec.alaska.gov/Applications/SPAR/PublicMVC/CSP/SiteReport/3786>

The ADEC will issue a reminder letter such as this on a scheduled basis, once per year. If you have any questions regarding this site, please contact me at (907) 465-5229 or evonne.reese@alaska.gov and I will be glad to assist you.

Sincerely,
