Dear Ms. Duarte:

On December 9 2021, the Kenai Area Office of the Alaska Department of Environmental Conservation (ADEC), received Stantec's revised 2022 Corrective Action Plan for the Northstore #52 "site" (Speedway Store 5325). Thank you for ensuring this work plan was provided for ADEC review and approval prior to implementation.

This work plan is approved. We look forward to receiving the reports and findings following the implementation of this work plan.
