This email/letter acknowledges that you have submitted a Notice of Intent form to be covered under the APDES General Permit for Stormwater Discharges for Construction General Permit Activity (Construction General Permit). The permittee is authorized to discharge storm water under the terms and conditions of this permit upon the issuance date of this letter. Permit documents can be accessed on the ADEC's Storm Water Permit website (<http://www.dec.state.ak.us/Applications/Water/WaterPermitSearch/Search.aspx>) starting tomorrow.

As stated above, this letter acknowledges receipt of a Notice of Intent. However, it is not an ADEC determination of the validity of the information you provided. Your eligibility for coverage under the Permit is based on the validity of the certification you provided. Your signature on the Notice of Intent certifies that you have read, understood, and are implementing all of the applicable requirements. An important aspect of this certification requires that you correctly determine whether you are eligible for coverage under this permit.

As you know, the Construction General Permit requires you to have developed and begun implementing a Stormwater Pollution Prevention Plan (SWPPP) and outlines important inspection and record keeping requirements. You must also comply with any additional location-specific requirements applicable to Alaska. A copy of the Construction General Permit must be kept with your SWPPP. An electronic copy of the Permit and additional guidance materials can be viewed and downloaded at <http://www.dec.state.ak.us/water/wncpspc/stormwater/index.htm>.

For tracking purposes, the following number has been assigned to your Notice of Intent Form:  
AKR10EH62.

If you have general questions regarding the stormwater program or your responsibilities under the Construction General Permit, please call (907) 269-6285.

**Instructions for Completing a Modification to an APDES Notice of Intent (NOI)**

Use the form on the subsequent pages to indicate the items for which you are submitting this modification. Only enter the information you wish to change. You may use this form to modify an NOI that you submitted to ADEC for coverage under the Construction General Permit (CGP). If you have any questions about modifying your NOI, call the DEC Storm Water Program at (907) 269-8117.

**When Should You Modify Your Notice of Intent (NOI)?**

- You can use this form to update or correct information on your NOI, including:
    - Owner/Operator address and contact information
    - Site Information
    - Start or End dates
    - Number of acres to be disturbed
- (Note, if the original project disturbance was between 1 and < 5 acres, and now will disturb five acres or more, a SWPPP must also be submitted with the NOI modification. Please note the CGP has different provisions for small and large construction projects.)*
- Storm Water Pollution Prevention Plan (SWPPP) location and contact information
  - Continuation of expired permit in accordance with Part 2.6.

**When must you Submit a Notice of Termination (NOT) Instead of a Modification Form?**

- The owner/operator has changed: You must submit a NOT when you transfer control of a site to a new owner/operator. The new owner/operator must then file a new NOI to obtain coverage under DEC's CGP. Coverage is not transferable.
