This email/letter acknowledges that you have submitted a Notice of Intent (NOI) form to be covered under the APDES General Permit for Storm Water Discharges for Construction General Permit Activity (Construction General Permit). The permittee is authorized to discharge storm water under the terms and conditions of this permit after acknowledgment of receipt of the permittee's completed NOI is posted on ADEC's Storm Water Permit Search website (<http://www.dec.state.ak.us/Applications/Water/WaterPermitSearch/Search.aspx>). Coverage under this permit begins after the "Date Issued" on the Water Permit Search website.

As stated above, this letter acknowledges receipt of a NOI. However, it is not an ADEC determination of the validity of the information you provided. Your eligibility for coverage under the Permit is based on the validity of the certification you provided. Your signature on the NOI certifies that you have read, understood, and are implementing all of the applicable requirements. An important aspect of this certification requires that you correctly determine whether you are eligible for coverage under this permit.

As you know, the Construction General Permit (CGP) requires you to have developed and begun implementing a Storm Water Pollution Prevention Plan (SWPPP) and outlines important inspection and record keeping requirements. You must also comply with any additional location-specific requirements applicable to Alaska. A copy of the CGP must be kept with your SWPPP. An electronic copy of the Permit and additional guidance materials can be viewed and downloaded at <http://www.dec.state.ak.us/water/wnpspc/stormwater/index.htm>.

For tracking purposes, the following number has been assigned to your Notice of Intent Form:  
**AKR10FK59**

If you have general questions regarding the storm water program or your responsibilities under the Construction General Permit, please call (907)269-6285.
