FORM N – OFFSET SOURCE

Section 1 Stationary Source Information

Source Name:
Source Physical Address:
City:
Nonattainment Pollutant:
Nonattainment Area:

Section 2 Offset Stationary Source

2a. List each proposed permit term or condition to limit actual emissions.

No.	Proposed Condition
<input type="checkbox"/> See attached for additional details.	

2b. For each proposed permit term or condition, list or attach the proposed monitoring strategy.

No.	Proposed Condition
<input type="checkbox"/> See attached for additional details.	

2c. For each proposed permit term or condition, list or attach the proposed compliance record keeping plans.

No.	Proposed Condition
<input type="checkbox"/> See attached for additional details.	

FORM N – Offset Source

Section 3 Total Reduction and Certification

List the total annual emission reductions due to the proposed conditions:

Pollutant	Annual Reduction in Emissions (Tons per Year)

Detailed emissions calculations are attached. *Note: These must be attached for your application to be complete.*

These emission reductions offset emission increases from: _____
Physical Address: _____ City: _____

Certification: The proposed reductions in actual emissions will occur before the onset of emission increases due to construction, operation, or modification of the above new or modified stationary source.	YES <input type="checkbox"/>	NO <input type="checkbox"/>
