Re: In the Matter of ADEC's Air Quality Control Minor Permit AQ022MSS07

Dear Mr. Christianson:

The Alaska Department of Environmental Conservation (ADEC) Commissioner's Office has received your request for adjudicatory hearing on ADEC's Air Quality Control Minor Permit AQ022MSS07. ADEC received your request on April 25, 2014. Before the Commissioner or his designee can act on your hearing request or refer it to the Office of Administrative Hearings for hearing, ADEC's regulations require that notice be provided to the public of the request for adjudicatory hearing. 18 AAC 15.200(d).

ADEC issued the public notice concerning your Request for Hearing on May 19, 2014. A copy of the public notice is enclosed. The regulations at 18 AAC 15 allow twenty days from publication of the notice for any person, the permit applicant, and department staff to submit responses on whether the Commissioner or his designee should grant or deny the request. 18 AAC 15.200(d) and 18 AAC 15.220(a).

You may file a reply within seven days of service of any timely filed response to your hearing request. 18 AAC 15.220(a). Within 30 days after the time has expired for you to reply to the responses to the request, the Commissioner or his designee will inform you, any parties submitting responses, and the Office of Administrative Hearings of the decision on the request. 18 AAC 15.220(b). If the hearing is granted in whole or in part, the case will be referred to the Office of Administrative Hearings for hearing and a recommended decision.

Please make sure that submissions to the Office of the Commissioner comply with the service requirements of 18 AAC 15.340. Copies of submissions concerning your hearing request must be mailed to the Office of the Commissioner, agency staff, the permit applicant and any other person who responds to the request for hearing. An affidavit of service should be included with your filing. See 18 AAC 15.340(a).

If you have questions concerning procedural matters, please feel free to contact me.

Sincerely,
