Multiple Brands of Peanut Butters and Nut Butters Recalled for Possible Salmonella Contamination

(JUNEAU, AK) - nSPIRED Natural Foods, Inc. has issued a recall for Arrowhead Mills Peanut Butters, MaraNatha Almond Butters and Peanut Butters, and specific private label nut butters because they may be contaminated with Salmonella.

Salmonella is an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain beginning 12 to 72 hours after infection. The illness usually lasts four to seven days. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis, and arthritis. People exhibiting any of these symptoms should contact their healthcare provider.

The affected product may be identified by the use-by/best-by date located on the top of the jar lid.
