**Kashi GOLEAN Powder Chocolate Energy Shake Mix  
DEC Warns People with Milk Allergies not to use GOLEAN Shake Mix**  
*Health Risk: Undeclared Milk Ingredient*

The Department of Environmental Conservation is warning the public who may be allergic to milk that Kashi GOLEAN Powder Chocolate Energy Shake Mix may contain milk products even though milk does not appear in the list of ingredients. The product has been found in Alaska and is being removed from retailers' shelves; however, DEC is asking consumers to check for this product in their homes.

People with allergies or severe sensitivity to milk run the risk of a serious or life-threatening allergic reaction if they consume this product. No illnesses or allergic reactions have been reported to date. No other Kashi GOLEAN products are involved in this recall.

The product is packaged in a 14.8 oz canister with a bar code of 18627 71000. Canisters with a Better if Used by Date stamped on the bottom of the canister between the dates of JAN 17 2009 and NOV 15 2009 are included in this alert. Consumers who have this product should call the Kashi Consumer Response center at 1-877-747-2467.

Persons allergic to milk products and experiencing symptoms after consuming this product should consult their health care provider.
