No other products or code dates are affected by this recall.

Alaska's Department of Environmental Conservation has verified these products have been distributed in Alaska.

To date, there have been no illnesses reported; however, *Salmonella* is an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain beginning 12-72 hours after infection. The illness usually lasts 4-7 days. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis, and arthritis. Consumers with concerns about an illness from consumption of this product should contact a health care provider.

Customers who have purchased any of these products should dispose of them or contact Taylor Farms Retail, Inc. for refund information at: 1-877-323-7374.
