**Backpacker’s Pantry Fettuccini Alfredo with Chicken
Recalled for Undeclared Milk and Wheat Allergens**

(JUNEAU, AK) – American Outdoor Products has issued a recall for Backpacker’s Pantry dehydrated Fettuccini Alfredo with Chicken because some of the products have an informational/nutritional label that misidentifies the contents as “Jamaican Jerk Style Rice with Chicken” and that label does not state that the product contains milk and wheat, known allergens. People who have an allergy or severe sensitivity to milk or wheat run the risk of serious or life-threatening allergic reaction if they consume this product.

The recalled product was produced July 2, 2013 and may be identified by the establishment number “P-4933” located inside the mark of inspection, the “best by date” printed on the top seal of the foil pouch, and the incorrect label located on the back of the pouch. Properly labeled pouches are not affected by this recall.
