Stage 2 DBPR & LT2ESWTR: <i>Overview of the New Rules</i>	Jan. 24, 2006 <i>(repeat of Jan.17)</i> 1-5pm eastern
Implementing the Stage 2 & LT2: <i>Compliance &amp; Assistance Tools for Systems</i>	Jan. 26, 2006 <i>(repeat of Jan.19)</i> 1-4pm eastern

**Stage 2 DBPR & LT2ESWTR:**

***Overview of the New Rules***

These two webcasts will provide an overview of the entire rule including early implementation and compliance activities. Topics include:

- Initial Distribution System Evaluation (IDSE): *Standard Monitoring, System Specific Studies, 40/30 certification & Very Small System Waivers*
- Stage 2 Compliance Monitoring: *Monitoring Plans, Schedule, Compliance Calculations, Operational Evaluation Levels*
- Revisions to Stage 1 DBPR.

**Implementing Stage 2 & LT2:**

***Compliance & Assistance Tools***

These two webcasts will showcase some of the tools EPA has developed to help States and systems implement the Stage 2 DBPR and the LT2ESWTR. Topics include:

- Information Processing & Management Center (IPMC)
- Data Collection and Tracking System (DCTS)
- Initial Distribution System Evaluation Tool
- Guidances and Additional Training
