### **RE: Environmental Health Laboratory schedule week of July 4 – July 8, 2016**

To our valued clients:

Alaska state offices will be **closed** on Monday, July 4<sup>th</sup> in observance of Independence Day.

As a result, the sample acceptance schedule for that week must be modified, as follows:

- Shellfish Growing Water (SGW) samples will be accepted Tuesday July 5 and Wednesday July 6.
- Paralytic Shellfish Toxin (PST) commercial samples will be accepted Tuesday July 5 - Friday July 8.
- Slaughter samples (meat and sponge) will be accepted Tuesday July 5 - noon Thursday July 7, however samples are pooled for efficiency, generally once a week.
- Manufactured and Cottage food samples will be accepted Tuesday July 5 – Friday July 8, however the testing will be conducted when samples are pooled for efficiency.
- Dairy testing is scheduled once a month, as normal, and is already scheduled for week of July 18.

Normal sample acceptance schedules resume on Monday July 11, 2016.

Assistance is available with timing of samples collections, completion of submission forms, packaging, temperature requirements, shipping, and sample tracking. Sampling questions, planned sampling activities, and shipping notifications, can be made to [DEC.EH-Lab-ShippingReceiving@alaska.gov](mailto:DEC.EH-Lab-ShippingReceiving@alaska.gov) or 907-375-8231.
