

The list of certified or approved labs you are seeking is currently unavailable. Alaska Department of Environmental Conservation (ADEC) staff are working to resolve the issue as quickly as possible.

In the meantime, the list below is the current list of laboratories certified for drinking water analysis or approved for contaminated sites analysis for the State of Alaska as of 10/20/2014. If the laboratory's scope is needed, please contact that laboratory or the Alaska certification officers.

Sincerely,

ADEC Laboratory Approval and Certification Program
