

Open a Repair & Replacement (R&R) Fund at ACF

Benefits of an R&R Fund at ACF

- Safeguarded savings vehicle for owners of rural Alaska energy infrastructure, so you can pay for future repair projects
- Administrative fees will be covered by the Denali Commission for the first two years of the fund
- Provides an opportunity to give a tax-deductible gift while saving for your future repair projects
- Creates an additional layer of protection to verify that payment requests are in line with needed repair projects
- ACF works with professional investment managers that are focused on prudently growing funds over the long term
- Easy method for depositing and giving online

Fund Management

- You name fund representatives and fund advisors
- Purpose of fund; repair projects for your facility
- Regular online or paper reports through DonorCentral
