

3rd Annual Alaska Oil Spill Technology Symposium DRAFT AGENDA

March 22, 2016

09:00 Lt. James Nunez (USCG): Welcome to AOSTS

09:10 Dr. Phil Johnson (DOI): Wildlife Protection Guidelines Overview

09:45 Dr. Lori Verbrugge (USFWS): Polar Bear Response Plan Overview

10:05 Lee Majors (ACS): Arctic Wildlife Response Capabilities Overview

10:35 BREAK

10:55 Todd Paxton (CISPRI): Cook Inlet Wildlife Response Overview

11:15 Dr. Carrie Goertz (Alaska Sealife Center): Alaska Sealife Center
Capabilities

11:40 LUNCH

13:15 Dave Owing (SEAPRO): SEAK's Wildlife Response Overview

13:35 Barbara Callahan (IBR): International Bird Rescue Response and Recovery
Capabilities

14:00 Ken Wilson (SERVS): Marine Mammal Response Plan Overview

14:20 Dr. Randall Davis (International Wildlife Research): Marine Mammal
Response, Rehabilitation, and Release

14:50 BREAK

15:10 Jen Dushane (NMFS): Marine Mammal Stranding Network Roles,
Responsibilities, and Expectations

15:30 Kyra Mills-Parker (OWCN): Why Do We Spend So Much Rehabilitating
Wildlife?

3rd Annual Alaska Oil Spill Technology Symposium DRAFT AGENDA

March 23, 2016

08:00 Welcome Back

08:10 Lynne Barre (NOAA): Whale Hazing

08:35 Dr. Lori Verbrugge (USFWS): ESA Section 7 Consultation

09:00 Dr. Olivia Lee (UAF): Industry Support in the Landscape of Marine
Mammal Research

09:25 BREAK

09:45 Catherine Berg (NOAA-SSC): ICS Wildlife Branch

10:10 Capt. John Sifling (Ret.) (Seawater Solutions): Advanced Waste Water
Treatment Technology

10:25 BREAK

10:45 Kurt Hansen (USCG): USCG Research for Responding to Oil Spills in Ice

11:10 Jessica Garron (UAF): UAS use During Oil Spills & Herder/Burner

11:30 Technology Showcase Introduction

11:35 Technology Showcase and Poster Session during Lunch

13:40 David Devilbiss (Global Diving): Neutron Backscatter Tank Scanning

14:00 Sam Vanderwall (ACUASI): Monitoring Wildlife with UAVs

14:25 BREAK

14:45 Jeremy Hale (GeoNorth): Commercial Satellite Imagery for Emergency
Planning, Response, and Recovery Operations

15:10 Boaz Ur (HARBO Technologies): T-Fence Boom

15:35 TBD (CRREL): Current CRREL Research

3rd Annual Alaska Oil Spill Technology Symposium DRAFT AGENDA

March 24, 2016

09:00 Chad Hutchinson: Pipeline Training Facility Tour

10:30 Earl Rose and Todd Paxton: Alyeska Mobile Command Post & CISPRI's
Crucial Skimmer Display

11:30 Simulated Under Ice Oil Recovery (local lake)

12:15 Staggered Conclusion and Cleanup
