K-45-01 	Andreon Bay Nearshore waters in the general area of: Lat. 58° 29.9 N Lon. 152° 23.7 W	Free-oil Recovery Maximize free-oil recovery in the offshore & nearshore environment of Andreon Bay depending on spill location and trajectory.	Deploy free-oil recovery strike teams upwind and up current of Andreon Bay. Use aerial surveillance to locate incoming slicks.	Deploy multiple free-oil recovery strike teams as required to maximize interception of oil before it impacts sensitive areas.
