INCIDENT OBJECTIVES		
1. Incident Name	2. Operational Period (Date / Time)	INCIDENT OBJECTIVES
F/V Mar-Gun	From: MAR 31 09 10:00 To: APR 3 09 10:00	ICS 202-CG
<p>3. Objective(s)</p> <ul style="list-style-type: none"> • Highest Priority of this Response is to Ensure the Safety of Citizens and Response Personnel • Protect environmental, historical, and cultural sensitivities. • Remove all fuel, persistent oils, and HAZMAT from vessel as per established plan. • Identify subsistence areas in the trajectory of potential release and develop a sampling plan. • SCAT will be in standby to be activated if new oil is observed from the vessel or lightering operations. • Ensure transparent communication with media, stakeholders and interested parties. • Maintain optimal administrative management of the vessel recovery operation; modify the vessel recovery plan as necessary to facilitate the safe, successful recovery of the vessel • Properly handle and dispose of waste generated from the response. • Continue to assess vessel stability and stabilize as appropriate 		
<p>4. Operational Period Command Emphasis (Safety Message, Priorities, Key Decisions/Directions)</p> <ul style="list-style-type: none"> • Report all injuries, incidents and close calls to the UC through your supervisor. • Fatigue issues for workers are of specific concern as the response continues. • Workers in cold weather require extra awareness, and extra caution should be taken to prevent cold weather injuries. • Report any sightings of oiled or impacted wildlife to the UC through the NOAA SSC(John Whitney) • While in the intertidal zone be especially mindful of slips, trips, falls and other water hazards. • Workers should advise their supervisor if they need essential supplies, i.e. prescriptions or special needs. • Workers are requested to complete daily ICS form 214a and provide them to their supervisor. This is to assist in documentation and to ensure work is properly compensated. • All media/press releases shall be routed through the UC for approval prior to release.
