Purpose of Meeting:

This meeting will address the development of Potential Places of Refuge (PPOR) for supplementing the [Southeast Alaska Subarea Contingency Plan](#). The Workgroup will review the history of PPOR development in Alaska, formalize the scope of this process, identify the high priority areas in Southeast Alaska for the development of PPORs and review and direct changes in the format or content of the document that has been adopted in other Alaska Subareas. Prior to the meeting, members are encouraged to review the document [Guidelines for Places of Refuge Decision-Making](#), produced by the Alaska Regional Response Team and the following web site, [Places of Refuge for Alaska](#). Reviewing these sites and the accompanying documents on these webpages will familiarize participants on the workgroup process and help in decision-making during the meeting. Attendees: ADEC, NPS, USCG, USFWS, ADF&G, SE AK Pilots Association, SEAPRO, AKDNR, USDOJ, Nuka Research, Local Governments, Public
