UCC documents are shown as "active", "inactive" or "lapsed". UCC-1 filings will show "active" for five years along with any subsequent amendments. If it is not continued in the designated time within that five year period, the status changes from "active" to "lapsed" for one year. After that one year period as "lapsed", the status changes to "inactive".

(Please Note: A "Wildcard" reference means the filing does not tie to an "active" filing; and, a filing shown as "active" does not necessarily mean effective.)
