**Water Quality Antidegradation Workgroup
Sixth Meeting on October 16th and October 17th, 2012**

The Alaska Department of Environmental Conservation (DEC) has established an advisory Water Quality Antidegradation Workgroup to provide DEC with various perspectives and inform the department's development of draft implementation methods for the state's water quality antidegradation policy found at 18 AAC 70.015. A workgroup meeting will be held on October 16th at 10:30 a.m. to 5 p.m. and on October 17th at 9:00 a.m. to approximately 5 p.m. All meetings are open to the public and will take place in the DEC building at 555 Cordova Street in Anchorage. For more information about the upcoming meetings including meeting dates, agendas, and reference material and to join a listserv for notices of future meetings, please see the Antidegradation Workgroup website at <http://www.dec.state.ak.us/water/wqsar/Antidegradation/index.html>.
