Dear Mr. Duroousseau:

The Alaska Department of Environmental Conservation, Contaminated Sites Program (ADEC), received the documentation for the well decommissioning at the former Reindeer Mountain Lodge LUST site.

In reference to ADEC's letter to you dated March 22, 2006, Condition #1 was completed - the institutional control has been entered into the ADEC LUST Database. Condition #2 remains in effect and Condition #3 has been completed - the on-site monitoring well was decommissioned.

If you have any questions or concerns, please contact me by phone at 451-5174 or via e-mail at Deborah\_Williams@dec.state.ak.us.

Sincerely,

Deborah Williams  
Environmental Program Specialist
