Re: Determination of Final Compliance and Approval Closure for Bear Creek Site SS007

Dear Mr. Johnston;

The Alaska Department of Conservation (ADEC) signed the CERCLA Record of Decision (ROD) Site SS007: Borrow Pit on March 5, 2013, documenting that the cleanup of this site is complete and that No Further Action is required. If new information becomes available that indicates contaminants may pose a risk then ADEC may revise its decision and further work may be requested.

Sincerely,
