Randolph Bayliss, P.E.
119 S. Seward St. #10
Juneau, AK 99801

Dear Mr. Bayliss:

RE: L.U.S.T. Sites

A review of our files indicates that a number of L.U.S.T. sites can be closed out with some additional correspondence. Accordingly, we advise you of the following:

- 1) We are providing you with a copy of an NFA letter from us on:

Temsco - Ketchikan
Icicle Seafoods - Petersburg

- 2) We need the following from you:

Site Assessment - UNOCAL Tank Farm #0313, Thane
C.A.P. - Juneau Ready Mix
Post Closure Notice - Mendenhall Auto

Upon receipt of this information, no further action is anticipated, and a letter will be forwarded to you.

- 3) According to our files, the following sites require no further action:

ADF&G - Auke Lake
AEL&P - 889 S. Franklin
Angoon Oil & Gas
Bigfoot Auto
CBJ Utilities
Eisenmann Corp.
Fisherman's Bend
Haines Home Builders

Randy Bayliss
Juneau, Alaska

...the following sites require no further action: (continued)

Juneau Dairies
PTI
Reliable Transfer
Sitka Fire Station
Skagway Sewage Treatment Plant
Skagway Public Works
St. Elias Auto Center
Temsco Wrangell
TEMSCO Ketchikan (mentioned above)
TEMSCO Petersburg
Valley Chevron
Wrangell Fisheries

0002

We request you advise these tank owners/operators of this action. We will maintain a copy of this NFA letter in the file here for each of the above. By copy of this letter, we are advising the U.S.T. Financial Assistance Program, Anchorage, of this action.

Sincerely,

Randy Rice
Contaminated Sites Coordinator
