Re: **Declaration of Project Closeout Decision for Yakutat Air Base Formerly Used Defense Site  
CON/HTRW Project F10AK0606-04, Runway Safety Area 20, Yakutat, Alaska**

Dear Mr. Andraschko:

The Alaska Department of Environmental Conservation (ADEC) Contaminated Sites Program received a copy of the above referenced document on July 20, 2018. The ADEC Contaminated Sites Program agrees that this project closure is consistent with state cleanup requirements listed in 18 AAC 75. This decision may be reviewed and modified in the future if information becomes available that indicates the presence of contaminants or waste that may cause unacceptable risk to human health or the environment.
