Work Plan for Task 3 _ GW Pump & Treat Well Installation
ADEC Work Plan Approval

Dear Ms. Duarte:

On July 1, 2019, the Kenai Area Office of the Alaska Department of Environmental Conservation (ADEC), received Stantec's July 1, 2019 Work Plan for Task 3 – Replace Bio-Sparge Treatment System with a Groundwater Pump and Treat System for the Tesoro Northstore #76, 3600 E Palmer-Wasilla Hwy "site". The site is located at 3600 E Palmer-Wasilla Hwy, easterly of Wasilla. Thank you for ensuring we received this work plan for the required regulatory review and processing.

We have completed our review, and this work plan is hereby approved.

If you have any questions about this ADEC work plan approval decision letter, or any other aspect of this project, please contact me at (907) 262-3422, or via e-mail at paul.horwath@alaska.gov

Sincerely,
