Dear Ms. Nixon:

On June 17, 2019, the Kenai Area Office of the Alaska Department of Environmental Conservation, Contaminated Sites Program (ADEC), received the 2019 Groundwater Monitoring Program Work Plan for four (4) Kenai Gas Field Pad sites, via electronic transmission. This workplan was prepared by Brice Environmental, on behalf of Hilcorp Alaska, LLC.

On June 21, 2019, ADEC transmitted review comments via e-mail to Ms. Kimi Loyd, with Brice Environmental. Ms. Loyd responded to ADEC's review comments via e-mail on June 24, 2019 (ADEC comments and Brice Environmental response attached - MS Word document).

The 2019 Groundwater Monitoring Program Work Plan for the four Kenai Gas Field pad sites, as amended by the supplemental information provided in Brice Environmental's June 24th e-mail response (attached), are hereby approved.

If there are questions or concerns about this ADEC work plan approval decision, or any other aspect of these projects, please contact me at (907) 262-3422, or by e-mail at paul.horwath@alaska.gov

Sincerely,

Paul Horwath, P.E.
