Previously Removed Underground Storage Tank Work Plan  
ADEC Work Plan Approval

Dear Ms. Leaders and Ms. Ducker:

On June 21, 2019, the Alaska Department of Environmental Conservation, Contaminated Sites Program (ADEC), received Tauriainen Engineering & Testing's June 21, 2019 memorandum-Work Plan: Previously Removed Underground Storage Tank. On July 8, 2019, we received supplemental information to support the work plan via e-mail communication from Mark Fonder, Project Engineer with Tauriainen Engineering & Testing. Thank you for coordinating to have this work plan prepared and provided to our office for the required regulatory review and approval.

This June 21<sup>st</sup> work plan, amended to include the additional July 8<sup>th</sup> information, is hereby approved.

If there are any questions about this ADEC work plan approval decision, or any other aspect of this project, please contact me at (907) 262-3422, or by e-mail at [paul.horwath@alaska.gov](mailto:paul.horwath@alaska.gov)

Sincerely,
