2019 Injection Well Rehabilitation Work Plan – Revision 1  
ADEC Work Plan Approval

Dear Mr. Harper:

On July 10, 2019, the Alaska Department of Environmental Conservation, Contaminated Sites Program (ADEC), received Trihydro's July 10<sup>th</sup>, 2019 Injection Well Rehabilitation Work Plan – Revision 1. Thank you for coordinating to have this work plan prepared and provided to our office for the required regulatory review and approval.

This work plan is hereby approved.

Please ensure any additional required regulatory approvals from EPA or any other entity are also obtained. I don't know if other regulatory approvals are required or not.

If there are any questions about this ADEC work plan approval decision, or any other aspect of this project, please contact me at (907) 262-3422, or by e-mail at [paul.horwath@alaska.gov](mailto:paul.horwath@alaska.gov)

Sincerely,

A handwritten signature in blue ink that reads "Paul Horwath".

Paul Horwath, P.E.  
Project Manager
