Re: Institutional Controls Verification for Building U-21 (ADEC File  
300.38.218)

Dear Ms. Reese:

This letter is being submitted by BPXA to confirm that there have been no changes in land use or ownership at Building U-21, located in Prudhoe Bay, that would impact the exposure assumptions used by ADEC in the 2010 Cleanup Complete Determination—Institutional Controls Decision Document.

If you have any questions, please contact me at (907)-355-3914, or at [mcanumc@bp.com](mailto:mcanumc@bp.com).

Sincerely,

Mike Mc Anulty
