Dear Ms. Bentz:

On March 17, 2021, the Alaska Department of Environmental Conservation (ADEC) received the Interim Removal Action Report Delta Western Terminal - Dillingham, dated March 17, 2021, for the Delta Western Tank Farm – Dillingham site. Farallon Consulting, L.L.C. prepared this report on behalf of Delta Western, LLC.

Thank you for providing this report for our review and response. The report is approved.

We have generated the following comments and concerns at this time:

When at the site, monitor the retaining wall drains. If possible, collect water samples from these drains.
