Decommissioning of Monitoring Wells and Drilling of Confirmation Soil Borings - ADEC Report Approval

Mr. Monson:

On November 17, 2022, the Kenai Area Office of the Alaska Department of Environmental Conservation (ADEC), received Stantec's, Decommissioning of Monitoring Wells and Drilling of Confirmation Soil Borings for the Tesoro 2 Go Mart #101 "site" (Speedway Store 5313). This report is approved.

ADEC agrees with the conclusion that further delineation of the extent of contamination is necessary.

If there are any questions regarding this approval, or any other aspect of this project, feel free to contact me at (907) 262-3412, or via e-mail at peter.campbell@alaska.gov

Sincerely,

Peter Campbell
