TWO CERCLA PROPOSED PLANS FOR THE ATKA AIR FORCE AUXILIARY FIELD FUDS F10AK0851 ~ AVAILABLE FOR REVIEW AND COMMENT ~

Step 1: Review the Administrative Record files and the two Proposed Plans for one feature known as PMA-BG-003 (Creosote Timber Pile) and for 293 No Action Features for the Atka Air Force Auxiliary Field Formerly Used Defense Site (FUDS) on Atka Island. All these features were evaluated under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA).

The Administrative Record contains prior studies, investigation results, and other information related to the cleanup decision process for this Atka FUDS. It is located at the Tribal Council Office at the Atxam Corporation's building, located at the Native Village of Atka, 362 Chavichax Lane, Atka, AK 99547.

The two Proposed Plans are available at the Tribal Council Office, will be e-mailed to local stakeholder organizations, and can be downloaded under "Documents Available for Review - Environmental Cleanup" from the following link: <https://www.poa.usace.army.mil/Library/Reports-and-Studies/>.

Step 2: Consider attending the virtual (online) public meeting planned for August 20th.

During this meeting, the content of the two Proposed Plans and the USACE's preferred path forward for cleanup of the FUDS features addressed in these Proposed Plans will be summarized.

The public meeting will be held virtually (online) via Microsoft (MS) Teams on August 20th, 2024 at 5 PM Hawaii-Aleutian time, 6 PM Alaska time. Virtual and call-in options are available (see below).

Step 3: Submit your comments on either of the Proposed Plans prior to September 23, 2024. Public participation is encouraged and can be expressed either during the public meeting described above, or by calling, emailing, or writing directly to USACE.

Direct your comments to USACE FUDS Project Manager Grant Lidren
