With each open burn renewal application, submit a \$200 retainer payable to the State of Alaska, DEC. The cost of the renewal will be \$200 unless DEC determines that there may be smoke incursion into a public place, into an airport, into a Class I area, into a non-attainment area for CO or PM-10, or into a maintenance area for CO or PM-10. If DEC determines there may be smoke incursion, then DEC will notify the applicant that DEC will charge an hourly administrative fee and direct costs for approval processing and administration. DEC will prepare and send a monthly invoice itemizing fees and direct costs to the applicant. Send each open burn renewal application and check to the address listed at the top of this application:
