

Landowner Consent Form – Class III Landfill

Alaska Department of Environmental Conservation
Solid Waste Program

This form is provided to you because you are the legal owner of property that is either proposed for use or is being used as a Class III municipal solid waste landfill. The operator of the landfill is applying to the Alaska Department of Environmental Conservation for a solid waste disposal permit for the landfill and must document the landowner's consent for the property to be used as a landfill. As the legal landowner of the property, please complete, sign, and return this form to the operator of the landfill so it can be included with the permit application.
