INSTRUCTIONS

1	Rename the file with the name of the vessel.
2	Rename the summary sheet with the name of the vessel (ie "HO Summary").
3	The summary sheet is protected and will summarise the data contained in the input sheets; one input sheet for each quarter has been created, starting from the month of December.
4	Quantities written in red are the inputs and have to be recordered on a daily basis.
5	The entire worksheet has to be sent to the office at the end of each month.

Thank you
