MATERIAL SAFETY DATA SHEET

Product Name: Nokomis 3-AA
Product Code: B2504
Revised: February 28, 2008
Replaces: July 20, 2006

Emergency: (510) 782-3555

Section I - Identification/Regulatory Information

Supplied By: Marlen Supply
23159 Kidder Street
Hayward, CA 94545
Phone: 510-782-3555

Shipping Information
Proper Shipping Name: Not Regulated
Hazard Class:
Identification:
Packing Group:

NFPA 704
Health 1 0 - Minimal
Flammability 0 1 - Slight
Reactivity 0 2 - Moderate
Special 3 - Serious
4 - Severe

Section II - Hazardous Ingredients

Hazardous Ingredient(s) CAS Number Weight % OSHA PEL (ppm) ACGIH TLV (ppm)
Alkylphenol Ethoxylate 9016-45-9 < 10% Not established Not established

Hazardous ingredients above 1.0% (0.1% for carcinogens) are listed above

Section III - Physical/Chemical Data

Appearance: Clear, Light Amber
Specific Gravity: 1.0245
Boiling Point: 220 °F
Vapor Pressure: 20 mm Hg
pH: 8.5
Solubility in Water: Complete

Odor: Mild
Weight/Gallon: 8.55 lbs/gallon
Flash Point: Not Applicable
Vapor Density: <1.0 (Air=1)
Evaporation Rate: NA (Butyl Acetate=1)
Viscosity: 13 cps

Section IV – Fire and Explosion Hazard Data

Flash Point (TCC): None
Upper Explosive Level: None
Lower Explosive Level: None

Extinguishing Media: This product is not combustible. Use water spray, foam, carbon dioxide, or dry chemical.

Unusual Fire and Explosion Hazards: None
Section V - Reactivity Data

Stability: Stable  
Hazardous Polymerization: Will not occur

Conditions to Avoid: Open flames, welding arcs or other high temperature sources that induce thermal decomposition, which could produce toxic fumes.

Materials to Avoid: None known.

Section VI - Health Hazards/Personal Protection

Eyes: Eye contact may result in moderate to severe irritation. Prolonged contact may cause corneal damage.

Skin: Prolonged contact may result in temporary irritation

Ingestion: Can cause nausea, vomiting and abdominal pain.

Inhalation: Irritation of mist may cause irritation of upper respiratory tract.

Section VII - First Aid

Eyes: Immediately flush eyes with lots of running water for 20 minutes, holding eyelids apart to ensure complete flushing. Get immediate medical attention.

Skin: Wash affected area thoroughly with plenty of running water. Get medical attention if irritation persists.

Ingestion: If conscious, give two large glasses of water or milk. If vomiting occurs, keep airways clear. Get immediate medical attention.

Inhalation: Remove to fresh air. If irritation persists, get immediate medical attention.

Section VIII - Spill, Leak, and Disposal Procedures

Steps to be Taken if Material is Released or Spilled: Absorb small spills on inert material and sweep up into proper disposal containers. Wash affected area with water. Contain large spills by diking with inert material and vacuum into proper disposal containers.

Waste Disposal Method: Dispose of spills and absorbent material in accordance with local, state and federal regulations.

Section IX - User's Responsibility

It is the user’s responsibility to provide a safe workplace. He or she should consider the health hazard and safety information contained herein as a guide and take those precautions required in an individual operation to instruct employees and develop work practices for a safe environment. The information contained herein is, to the best of our knowledge and belief, accurate. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and assume no liability for damages incurred by use of this material. It is the responsibility of the user to comply with all applicable federal, state, and local laws/regulations.
