Selecting the Construction 'Category' (also known as 'General Schedule')

The screenshot shows the 'Wage Determinations Online' web application. On the left is a search sidebar with the following elements: 'Select DBA WD by number:' followed by an input field and a 'Search' button; 'Browse by state' with a dropdown menu showing 'ALAB.'; 'County:' with a dropdown menu showing 'All'; 'Construction' with a dropdown menu; 'WD Number:' with an input field and a 'Search' button; and a 'Back' link. The main content area on the right lists three construction categories: 'Building Construction', 'Heavy Construction', and 'Highway Construction', each with a descriptive paragraph. A yellow arrow points from the 'Some contracts or projects may require more than one general schedule' text box in the 'Residential Construction' section to the text below.

# 10 day rule and 90 day rule

Any changes to WD up until 10 days before close of bid will need to be incorporated into bid docs/contract

If contract is not signed within 90 days of bid open, the most recent modification to the WD prior to contract signing would become effective

# Overview of EPA Expectations for D-B Compliance

- State must specify in loan agreement that city must comply with Davis-Bacon.
- State must ensure that community has inserted the EPA Davis-Bacon contract language (from the Grant condition) into the bid documents and the contract.
- State must ensure that community has included federal Davis-Bacon Wage Determinations in bid documents and contract AND that correct Wage Determinations are used.
- State must ensure that community has hung Davis-Bacon poster on site.
- State must ensure that community has conducted (AND documented) laborer interviews.
- Community must notify state that weekly certified payrolls are being submitted.
- State must ensure a prevailing wage has been paid.
