

Alaska Clean Water Fund

Alaska Department of Environmental Conservation
Division of Water - Municipal Grants & Loans (MG&L) Program
410 Willoughby Ave. Suite 303
P.O. Box 111800 Juneau, AK 99811-1800

Cost and Effectiveness Certification

The project representative must check both boxes below and the form must be signed by both the project representative and the professional engineer for the project.

- 1) The municipality has studied and evaluated the cost and effectiveness of the processes, materials, techniques, and technologies for carrying out the proposed project or activity for which the assistance is sought under the Alaska Clean Water Fund (Alaska Statute 46.03.032); and
- 2) The municipality has selected, to the maximum extent practicable, a project or activity that maximizes the potential for efficient water use, reuse, recapture, and conservation, and energy conservation, taking into account:
 - a) The cost of constructing the project or activity.
 - b) The cost of operating and maintaining the project or activity over the life of the project or activity.
 - c) The cost of replacing the project or activity.
