

AIR QUALITY CONTROL: SUPPLEMENTAL NOTICE OF PROPOSED CHANGES
IN THE REGULATIONS OF THE
ALASKA DEPARTMENT OF ENVIRONMENTAL CONSERVATION

BRIEF DESCRIPTION

The Alaska Department of Environmental Conservation (ADEC) proposes to change its air quality regulations to adopt by reference revised federal air quality regulations applicable to air quality control permits, update cross-references and a facility name, clarify reporting requirements for diesel engine pre-approved emission limits (PAELs), adopt a new PAEL for non-road diesel engines, update the adoption of a monitoring quality assurance plan, and revise Standard Permit Conditions. **This is a SUPPLEMENTAL NOTICE adding to the NOTICE OF PUBLIC COMMENT PERIOD that was issued on October 7, 2019.** This supplemental notice is providing an extension to the end date of the comment period.

ADEC proposes to adopt regulation changes in Title 18, Chapter 50 of the Alaska Administrative Code, dealing with updated adoptions by reference, clarifying language, adopting a new Pre-Approved Emission Limit (PAEL), and updating the adoption of a monitoring plan, including the following:

- (1) 18 AAC 50.030(a) is proposed to be amended to update the *State Air Quality Control Plan* and *Quality Assurance Project Plan for the State of Alaska Air Monitoring & Quality Assurance Program* adoption by reference dates and to amend Volume III Appendix to Volume II Section II to incorporate the proposed regulations after public review and comment. This appendix within the *State Air Quality Control Plan* contains the state's air quality regulations.
- (2) 18 AAC 50.040(a) – (k); 18 AAC 50.250(f); 18 AAC 50.311(c); 18 AAC 50.502(h)(2); and 18 AAC 50.990 are proposed to be amended to update the adoption by reference of federal regulations to maintain current and consistent permitting requirements.
- (3) 18 AAC 50 is proposed to be amended to update the name of the Port of Alaska.
- (4) 18 AAC 50.205(b)(1) is proposed to be amended to reflect changes in the statutes governing electronic signatures.
- (5) 18 AAC 50.230 is proposed to be amended to clarify reporting requirements for diesel engine PAELs and to add a new PAEL category for non-road diesel engines.
- (6) 18 AAC 50.326(j)(3) is proposed to be amended to add an applicable cross-reference to emission fee permit conditions.
- (7) 18 AAC 50.346 is proposed to be amended to update the adoption by reference date of revised standard permit conditions for construction and operating permits and to adopt a new standard condition for reporting requirements.
- (8) Standard Permit Conditions I – XVI are proposed to be amended to conform language to regulations; ensure emissions are properly calculated; update regulatory citations; add language to comply with reporting requirements; update report submission information; and make minor typographical changes to language.

If adopted, ADEC will submit the applicable regulation revisions to the U.S. Environmental Protection Agency (EPA) for inclusion in the approved State Implementation Plan (SIP).

This is a SUPPLEMENTAL NOTICE adding to the NOTICE OF PUBLIC COMMENT PERIOD that was issued on October 7, 2019, concerning these proposed regulation revisions contained in the Department of Law file number 2019200615. This SUPPLEMENTAL NOTICE is being issued only to extend the end date of the public comment period in response to stakeholder requests.

Posting

The above list of proposed changes to the regulations only provides a summary of their subject matter. Copies of the proposed regulation changes, Standard Permit Conditions, and SIP amendments are available at <https://dec.alaska.gov/air/anpms/sip/2019-adoption-updates/>. A copy of the proposed regulation changes is also available on the Alaska Online Public Notice System. Materials not feasible to post or subject to copyright may be viewed at the ADEC office(s) at the following locations: ADEC Anchorage Building, 555 Cordova St., Anchorage; ADEC Fairbanks Office Building, 610 University Avenue; and ADEC Juneau Office Building, 410 Willoughby Avenue, Second Floor. To arrange to view the materials, contact Rebecca Smith at 907-465-5121 or rebecca.smith@alaska.gov.

Comments

You may comment on the proposed regulation changes, including the potential costs to private persons of complying with the proposed changes, by submitting written comments to Rebecca Smith, ADEC Division of Air Quality, P.O. Box 111800, Juneau, AK 99811-1800; by e-mail to rebecca.smith@alaska.gov or dec.air.comment@alaska.gov; by facsimile at (907) 465-5129; or through the Air Quality Division's electronic comment submission web page at <https://dec.alaska.gov/Applications/Air/airtoolsweb/FormalComments>. **The comments must be received not later than 5:00 p.m. on January 3, 2020.** Comments received after this date will not be considered in final action on these rules and the air quality plan.

Hearings

ADEC has concluded a scheduled public hearing for these proposed regulations, conducted on Wednesday, November 13, 2019, from 12:00 p.m. to 1:30 p.m. at the ADEC Anchorage Building, First Floor Conference Room, 555 Cordova St., Anchorage, Alaska. Comments and testimony from the public hearing will be incorporated in the response to comments.

Questions

You may submit written questions relevant to the proposed action to ADEC using the electronic question form at <https://dec.alaska.gov/Applications/Air/airtoolsweb/FormalQuestions> or by sending the questions to Rebecca Smith via e-mail at rebecca.smith@alaska.gov, or via mail to Rebecca Smith, ADEC Division of Air Quality, P.O. Box 111800, Juneau, AK 99811-1800. Questions may also be submitted verbally in testimony at the public hearing, if it occurs. ADEC will aggregate its response to substantially similar questions and make the questions and responses available on <https://dec.alaska.gov/air/air-permit/permit-regulations/2019-adoption-updates-questions-answers>. The questions must be received at least 10 days before the end of the revised public comment period; **the question deadline is December 24, 2019.**

If you are a person with a disability who may need a special accommodation in order to participate in this public process, please contact Kate Orozco at (907) 465-6171 or kate.orozco@alaska.gov not later than Friday, December 27, 2019, to ensure that any necessary accommodations can be provided.

After the public comment period ends, the ADEC will either adopt the proposed regulation changes or other provisions dealing with the same subject, without further notice, or decide to take no action. The language of the final regulation may be different from that of the proposed regulation. **YOU SHOULD COMMENT DURING THE TIME ALLOWED IF YOUR INTERESTS COULD BE AFFECTED.** Written comments received are public records and are subject to public inspection.
