

Proposed updates *from* the 2012 Wildlife Protection Guidelines for Alaska (Annex G of the Unified Plan) *to* the 2020 Wildlife Protection Guidelines for Oil Spill Response in Alaska (WPG).

2012 WPG – Annex G	Page	2020 WPG	Section (Page)
I. Introduction	7	Introduction	1000 (1-1)
A. Background		WPG and Contingency Planning in Alaska	9740.1.3 (9-2)
B. Objectives		Objectives	9740.1.2 (9-2)
C. Scope of Wildlife Protection Guidelines for Alaska		Introduction	1000 (1-1)
D. Committee Organization and Development of Guidelines		Wildlife Protection Guidelines History & Revision Process	9740.1 (9-1)
		WPC Organization and WPG Versions	9740.1.1 (9-1)
E. Relationship to National Planning Requirements and Guidance		Relationship to National Planning Requirements and Guidance	1610 (1-1)
F. Procedures for Revisions and Updates		Wildlife Protection Guidelines History & Revision Process	9740.1 (9-1)
Wildlife Resource Agency Notification and Input	13	Wildlife Agency Notification	(xi)
Wildlife Response Strategies: Primary, Secondary, and Tertiary	13	ICS Operations: Wildlife Protection Strategies - Primary, Secondary, Tertiary	3640.2 (3-11, 3-12, 3-16, 3-20)
		ICS Planning: Wildlife Protection Strategies- Primary, Secondary, Tertiary	4610.5 (4-6, 4-8, 4-10)
General Wildlife Protection Considerations	17	General Wildlife Protection Considerations	4610.3 (4-1)

2012 WPG – Annex G	Page	2020 WPG	Section (Page)
Appendix 1: Wildlife Resource Agency Considerations for Pre-Emptive Capture of Unoiled Wildlife and/or Capture and Rehabilitation of Oiled Wildlife	19	Removed. See: Operations: Secondary Response Strategies Planning: Secondary Response Strategies	3640.2.2 (3-16) 4610.5.2 (4-8)
Appendix 2: Species of Concern by Subarea: Migratory Birds	21	Table 9-3: Status of avian species of concern by geographic zone	9740.2.1.1 (9-7)
Appendix 3: Species of Concern by Subarea: Marine Mammals	27	Table 9-4: Status of marine mammal species of concern by geographic zone	9740.2.2.1 (9-14)
Appendix 4: Species of Concern by Subarea: Terrestrial Mammals	31	Table 9-5: Status of terrestrial mammal species of concern by geographic zone	9740.2.3.1 (9-36)
Appendix 6: Wildlife Protection Information: Migratory Birds	35	Migratory Birds	9740.2.1 (9-4)
Appendix 7: Wildlife Protection Information: Marine Mammals	43	Marine Mammals	9740.2.2 (9-13)
Appendix 8: Wildlife Protection Information: Terrestrial Mammals	77	Terrestrial Mammals	9740.2.3 (9-35)
Appendix 9: Example of Wildlife Protection Advisory for Response-Related Aircraft and Vessel Traffic and the News Media	105	Removed	
Appendix 10: Example of Information Bulletin on Prohibitions on the Collection of Wildlife Parts	107	Removed	
Appendix 11: Carcass Collection Guidelines	109	Carcass Collection and Documentation Tactic: Collection of Small Carcasses and Documentation of Large Carcasses	3640.2.1.1 (3-12) 9740.3.2 (9-61)

2012 WPG – Annex G	Page	2020 WPG	Section (Page)
Appendix 12: Capture Forms: Live Oiled Wildlife	127	Wildlife Capture Forms	9740.3.3 (9-79)
Appendix 13: Checklist of Suggested On-Scene Wildlife Response-Related Activities for Wildlife Resource Agency Representatives	135	Removed	
Appendix 14: Checklist of Suggested Office Equipment, Supplies, and Documents for Wildlife Resource Agency Representatives to Take On-Scene	137	Removed	
Appendix 15: Wildlife Resource Agency Permits and/or Authorizations Required for Detering, Collecting or Holding Live Animals	139	Fish and Wildlife Permit Tools <ul style="list-style-type: none"> • Wildlife authorizations and permits required prior to implementing response tactics • Wildlife authorizations and permits required for hazing/detering, collecting, or holding wildlife 	4820.1 (4-15) Table 4-1 Table 4-2
Appendix 16: Equipment and Materials Suggested for Deterrence Kit: Unoiled Migratory Birds	141	Removed	
Appendix 17: Equipment and Materials Required for Capture/Stabilization Kits: Oiled Migratory Birds	143	Removed; incorporated by reference. See Operations: Tertiary Response Guidelines	3640.2.3.1 (3-20)
Appendix 18: Equipment and Materials Required for Stabilization Modules: Oiled Migratory Birds	145	Removed; incorporated by reference. See Operations: Tertiary Response Guidelines	3640.2.3.1 (3-20)
Appendix 19: Equipment Used Capturing, Handling, and Rehabilitating Oiled Sea Otters	147	Removed; incorporated by reference. See Operations: Tertiary Response Guidelines	3640.2.3.1 (3-20)

2012 WPG – Annex G	Page	2020 WPG	Section (Page)
Appendix 20: Entities in Alaska with Equipment and Materials Stockpiled for Deterring Unoiled Migratory Birds, Capturing and Rehabilitating Oiled Migratory Birds and Sea Otters, and Holding Polar Bears	155	Removed	
Appendix 21: Facility Requirements for Oiled Wildlife Rehabilitation: Migratory Birds	163	Removed; incorporated by reference. See Standards of Response for Migratory Birds	4610.4.1 (4-4)
Appendix 22: Guidance for Facility Requirements for Oiled Wildlife Rehabilitation: Sea Otters	167	Removed; incorporated by reference. See Standards of Response for Sea Otters in Alaska	4610.4.3 (4-4)
Appendix 23: Equipment List and Facility Criteria for Handling, Care, and Rehabilitation: Marine Mammals	169	Removed; incorporated by reference. See Standards of Response for Marine Mammals under NMFS’s jurisdiction in Alaska and Standards of Response for Polar Bears in Alaska	4610.4.2 (4-4) 4610.4.4 (4-5)
Appendix 24: Approval Request Form: Un-oiled Wildlife Deterrence Activities	171	Request for Wildlife Response Activities	3650 (3-23)
		Wildlife Response Plans (WRPs)	9740.3.7 (9-106)
		<ul style="list-style-type: none"> • Startup WRP • Comprehensive WRP 	Figure 9-13 Figure 9-14
Appendix 25: Approval Request Form: Pre-Emptive Capture of Un-oiled Wildlife and/or Capture and Rehabilitation of Oiled Wildlife	179	Request for Wildlife Response Activities	3650 (3-23)
		Wildlife Response Plans (WRPs)	9740.3.7 (9-106)
		<ul style="list-style-type: none"> • Startup WRP • Comprehensive WRP 	Figure 9-13 Figure 9-14

2012 WPG – Annex G	Page	2020 WPG	Section (Page)
Appendix 26: Contact Information for Wildlife Resource Agencies: Migratory Birds, Marine Mammals, and Terrestrial Mammals	189	Initial Emergency Contacts	(viii)
N/A	--	New content. Wildlife Response Best Management Practices: General BMPs for spill responders to minimize impacts to wildlife and their habitat.	3610 (3-1)
N/A	--	New Content. Vessel Grounding or Sinking Response and Checklist: Information, including a responder questionnaire, on common impacts to wildlife and habitats from vessel groundings or sinkings. Includes a responder questionnaire/checklist for particular issues affecting wildlife associated with groundings or sinkings.	3630 (3-4) 9740.3.4 (9-89)
N/A	--	New Content. Wildlife Reconnaissance (Recon) and Wildlife Recon Tactic: Content for initial responders and dedicated wildlife observers to provide early and consistent information regarding wildlife observations.	3640.1 (3-10) 9740.3.1 (9-50)
N/A	--	New Content. Endangered Species Act (ESA) Consultations and Forms: Information and forms relating to the Endangered Species Act and Emergency Section 7 Consultation process.	4810 (4-12) 9740.3.6 (9-94)
