## Best Practices Score Akhiok Spring 2020

|           | Category                              | O&M Scoring Criteria   | Possible | Score | Explanation of Score  | How to Improve Score  | Contact   |
|-----------|---------------------------------------|--|----------|-------|---|---|---|
|           | Operator<br>Certification             | Utility has more than one operator certified to the level of the water system  Primary operator is certified to the level of the water system and the backup operator holds                                  | 10<br>7  | 7     |   | certificate. Speridon Simeonoff needs 3.0 CEUs by 12/31/20 to   | F ADEC Operator<br>Certification                            |
|           |                                       | some level of certification in water treatment or distribution  Primary operator is certified to the level of the water system and the backup operator holds no certification or there is no backup operator | 5        |       | Certification Level: WT 1 Backup Operator: Speridon Simeonoff Certification Level: WD P                           | Operator: Speridon Simeonoff ation Level: WD P  Coy holds the correct level of certification.  Simeonoff and Glyndaril White holds  1 exam. Glyndaril White's eligibility for WT 1 certification is unknown. Please see the enclosed flier with more information about certification. |   |
|           |                                       | Utility has one or more operators certified at some level in water treatment or distribution   | 3        |       | Day MaCay halds the sayyest level of saytification  |   |   |
| nical     |                                       | Utility has no certified operators   | 0        |       | Speridon Simeonoff and Glyndaril White holds certifications but not at the correct level.                         |   |   |
| Tech      | Preventive<br>Maintenance<br>Plan     | Utility has a written PM plan; PM is performed on schedule; records of completion are submitted on a quarterly basis and have been verified  | 25       | 15    | The utility is not performing the required maintenance or isn't keeping records of maintenance.                   | To receive the full points in this category, the operator must have a Preventative Maintenance plan that they follow and the completed plan must be submitted to your assigned RMW each quarter.  | Theo Graber<br>ADEC RMW<br>269-7571                         |
|           |                                       | Utility has a written PM plan; performance of PM and record keeping are not consistent   | 15       |       |   |   |   |
|           |                                       | Utility has no PM plan or performs no PM   | 0        |       |   |   |   |
|           | Compliance                            | Utility had no Monitoring and Reporting violations during the past year  | 10       | 0     | The utility had 44 Drinking Water Monitoring and Reporting violations in 2019.                                    | The Drinking Water Program provides you with an Annual Monitoring Summary with all of the required samples for your water system. All samples and reports must be collected and submitted in a timely manner.   | Leah Vansandt<br>ADEC Drinking<br>Water Program<br>269-7653 |
|           |                                       | Utility had up to five Monitoring and Reporting violation during the past year   | 5        |       |   |   |   |
|           |                                       | Utility had more than five Monitoring and Reporting violation during the last year   | 0        |       |   |   |   |
| rial      | Utility<br>Management<br>Training     | A person who holds a position of responsibility for management of the utility has completed a DCRA approved Utility Management course or other utility management training course within the last five years | 5        | 0     | No one associated with the utility has attended a RUBA training in the past five years.                           | RUBA provides free training several times per year. Someone who works with the utility should take one of the courses as soon as possible.  | Jed Cox<br>DCRA RUBA<br>Program<br>269-4549                 |
| anage     | Meetings of<br>the Governing<br>Body  | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  | 5        | 0     | No meeting minutes were provided.   | The governing body needs to meet according to local ordinance and submit minutes to RUBA. The meeting minutes should document that a report was made by the operator to the governing board.  |   |
| Σ         |                                       | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  | 2        |       |   |   |   |
|           |                                       | The utility owner's governing body does not meet   | 0        |       |   |   |   |
|           | Budget                                | Utility owner and the Utility have each adopted a realistic budget and budget amendments are adopted as needed; Accurate monthly budget reports are prepared and submitted to the governing body             | 15       | 0     | The utility has an unbalanced and unrealistic budget.   | Provide RUBA with an adopted, realistic budget. Provide RUBA with monthly financial reports and meeting minutes that demonstrate the council is reviewing the monthly financial reports.  |   |
|           |                                       | Either the Utility or the Utility owner has adopted and implemented a budget, the other has not  | 13       |       |   |   |   |
|           |                                       | Either the Utility or the Utility owner has adopted a budget, but it is not being implemented  | 10       |       |   |   |   |
|           |                                       | Utility owner and the Utility have not adopted a budget  | 0        |       |   |   |   |
|           | Revenue                               | Utility is collecting revenue sufficient to cover the Utility's operating expenses and to contribute to a repair and replacement account   | 20       | 0     | The utility has not submitted any financial information, and cannot confirm if the collection policy is enforced. | Provide RUBA with the utility's fee schedule and collection policy. RUBA can assist in developing these if none exist.  |   |
| ial       |                                       | Utility is collecting revenue sufficient to cover expenses   | 15       |       |   |   |   |
| Financial |                                       | Utility has a fee schedule and a collection policy that is followed  | 5        |       |   |   |   |
| Fin       |                                       | Utility has no fee structure or collection policy  | 0        |       |   |   |   |
|           | Worker's<br>Compensation<br>Insurance | Utility has had a worker's compensation policy for all employees for the past two years and has a current policy in place  | 5        | 5     | Current policy verified 11/26/2019.   | Full points have been awarded. Maintain active Worker's Compensation policy to continue receiving these points.   |   |
|           |                                       | Utility has a current worker's compensation policy in place for all employees  | 2        |       |   |   |   |
|           |                                       | Utility has no worker's compensation policy  | 0        |       |   |   |   |
|           | Payroll Liability<br>Compliance       | Utility has no past due tax liabilities and is current with all tax obligations  | 5        | 5     | Current on all payroll tax liabilities.   | Full points have been awarded. Continue to submit timely reports and payments to maintain these points.   |   |
|           |                                       | Utility owes back taxes, but has a signed payment agreement, is current on that agreement, and is up-to-date with all other tax obligations  | 2        |       |   |   |   |
|           |                                       | Utility is not current with its tax obligations and/or does not have a signed repayment agreement for back taxes owed  | 0        |       |   |   |   |
