**Comment:**

Alaska has run off all those oil companies who could help the State and the DEC, what can I say to someone that has two black eyes, nothing been told twice, call me at 407 375 8500 if you want a smart plan that will save Alaska from its bad laws that priced Alaska out of the game, laws like the C-Plan and others, DNR DOG Director Tom Stokes seems to likes my 470 fund self insured oil state plan, call him if you want, thanks and stay safe, Dan Donkel of Donkel Oil and gas LLC.
